**We, the members of Dartmouth United, will do our very best to:**

- respect the rules;
- respect our opponents;
- respect the officials and their decisions;
- have everyone participate;
- maintain our self-control at all times.

**As a player of a Dartmouth United team, I will do my very best to:**

- listen to and follow my coach's instructions;
- do my best in all games and practices;
- remember that I am on a team and behave like a team player;
- be positive with my teammates and never discuss their abilities except to encourage good team play;
- encourage our goalie if we are scored on, and try harder to help out next time;
- respect my teammates, coaches, officials, and opponents and use polite, appropriate language at all times.

**As the parent of the player of a Dartmouth United team, I will do my very best to:**

- ensure that my child arrives at games and practices on time and with complete and safe equipment;
- encourage my child to play the game in a manner consistent with this Code of Conduct and with the coach's direction or plan;
- leave the coaching to the coaching staff and refrain from calling directions from the sidelines;
- support the whole team as well as my own child;
- be respectful and polite to all players, including the opposition;
- use polite, appropriate language to the coaches and the officials at all times;
- communicate any concerns I may have directly to the team manager or the coach.
